Corinne

SEARCH | EDIT | ...

A girl who used to work in the [Black Pearl](#), a former favorite of [Akula](#). Once, she tried to leave [Cidaris](#) with a sailor with whom she fell in love. [Akula](#) fed the sailor to the fish, and cut Corinne's face. Since she was unable to work in the [Black Pearl](#) anymore, the only place she could go was the [Fry Town](#). She would have died long ago if Gertrude Schnabl hadn't taken her in.

Thanks to the persuasion skills of [Maaganogl](#), [Mother Noemi](#) took her in as an adept in the Temple of Melitele.

Player notes
